

Guardian Shared Understanding of Covid-19 & Cancellation Policy

Before sending your camper to Bird Camps, we want to make sure you understand that in light of the current medical, legal and economic conditions resulting from the COVID-19 pandemic, and recognizing that these conditions are subject to abrupt change at any time, you are sending your child(ren) to camp under the following conditions:

1. While we wish that we could control every possible risk, and while we will use our best efforts to keep your child safe from the COVID-19 virus, we want to make clear that we cannot promise or guarantee that this or any other pathogen will not enter camp. By the very nature of the personal interaction that takes place in the camp environment, there is always a risk of your child becoming ill with this or any other communicable disease. We want you to be fully aware of this risk in making the decision to send your child to camp this summer, and that you are willing to assume and accept it on your child's behalf.
2. Our efforts to keep your child safe include minimizing contact with anyone outside of the camp community, wearing masks, maintaining social distancing when possible, small cohorts, lots of hand washing, as well as many other protocols. We'll communicate with parents regularly by email and phone, and will do our very best to keep you informed about your camper.
3. We believe in Bird Camp's ability to operate camp this summer in a manner that meets our camp's as well as CDC safety standards.
4. Campers will be screened daily by our staff, which will include a temperature check. Because we want to do everything to keep camp operating in a safe manner, if your camper is exhibiting symptoms (fever of 100 degrees plus one symptom) or tests positive for COVID-19 or another communicable disease, you will be contacted to pick up your camper immediately (if day camp) or have a 24hr period to pick up your camper for overnight camp. You also will be contacted in the case of a fellow camper/staff requiring quarantine. Although we recognize the importance of respecting privacy, it may be necessary to share information regarding COVID-19 within the Bird Camp community.
5. Covid-19 Cancellation: If a staff member tests positive for COVID - 19 before 1st day of camp, camp will be cancelled and you will receive a full refund. If a staff member and/or a camper tests positive for COVID -19 after the 1st day of overnight camp your Active account will be credited a prorated amount for days canceled to be used at a future Bird Camp.
6. By signing this, I acknowledge that my camper(s) has not shown any signs/symptoms of COVID-19 in the last 14 days and no-one in the household currently has Covid-19, is showing signs/symptoms or is waiting for results from a Covid-19 test.
